Quality Policy
Anchor Safety LLP specialises in the supply and distribution of industrial protective clothing, workwear, safety equipment and first aid supplies.

The effectiveness of the Quality Management System will be achieved through:

- Consideration of the context of the organization and aligning the Quality Management System with the strategic direction of Anchor Safety LLP
- Satisfying customer and applicable statutory and regulatory requirements
- Management of the organization, along with employee-established quality objectives and defined responsibilities for their fulfillment
- Establishing, applying, maintaining and continual improvement of the effectiveness of Quality Management System in accordance with the International Standard ISO 9001:2015
- Continual enhancement of customers' satisfaction
- Tracking and applying new technologies and educating employees
- Careful selection and assessment of suppliers
- Commitment to increase the quality of products and services in order to completely satisfy customers' expectations
- Making continuous improvement a part of every day and throughout every activity
- Continuously improving the Quality Management System in all process activities of the business.

This Quality Policy is communicated to all persons working for or on behalf of the organization and is made available to the public if requested.
This Policy is endorsed by the Executive Management of Anchor Safety LLP.
